- Balance Match Progression

☑ Balance Match Progression

  - When this box is checked the winner's side of the bracket can only play one round ahead of the loser's side.

When Balance Match Option is in use the Winner's Bracket is on Hold until the Loser's Bracket catches up!
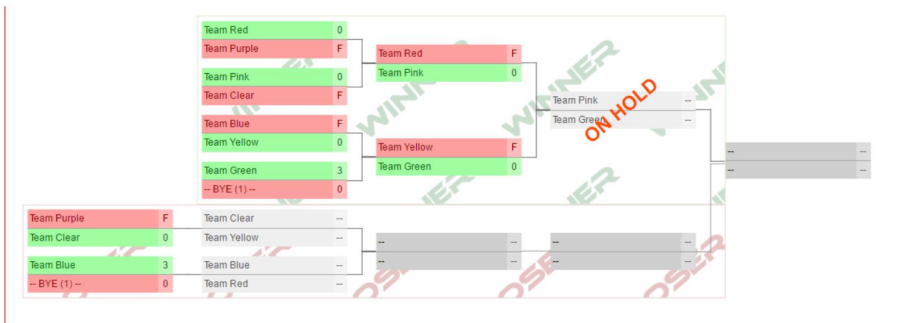

- Additional Info Box
  - Place any additional information in this area.
  - During the tournament the players will be able to view the information shared in this box by clicking "View Notes".

Additional Info

Players can view from "View notes" if TLC provided the shared bracket link.

Once set up is finished click on the save button at the bottom of the screen on left side.

- Adding/Editing Players/Teams

  - All participating players must have a valid Ranked Play email registered with BullShooterLive.com.

  - A registration link is created with each tournament. This can be shared with potential participants.

  - Players can register from the link and be added to the bracket through the "Pending Registrants".

  - Players can be manually added to the bracket by clicking the "+" and typing in the qualifying email.

  - Additionally players can be added in bulk if preferred to copy and paste multiple emails at one time.

  - A red "X" will display at the end of an invalid email.

  - When finished entering teams and names click SAVE.

- **Additional TLC Features**
  - The Public Link can be shared with the participants to view the bracket.
  - If in the event an error was made; the TLC can cancel the tournament.

These are the additional notes the TLC can add; anyone with the shared bracket view link will see these notes.

This should only be done in rare cases and before anyone begins play.

Share this link; anyone with this link can view the bracket progression.

- **Forfeiting Matches**
  - Matches can be forfeited if necessary.
  - Left click on the match in question (see Fig. 1).
  - Click on the Red Button "Forfeit Team" (see Fig. 2).
  - Select the Team to Forfeit – in this case we will choose Team Pink (see Fig. 3).
  - You will get a warning that this cannot be undone if you click on OK (see Fig. 4).
  - Team Blue will move on to the next round of the Winner's Bracket and Team Pink will move to the Loser's Bracket (see Fig. 5).
